

RapidValue Services: Social, Mobile & Staffing

Since 1993, Davalen, LLC has been a trusted name in collaborative software solutions for the enterprise. Davalen is an **IBM Premier Business Partner** that provides RapidValue Services for **Lotus Domino, WebSphere Portal, Retail & Enterprise Search and Web Content Management**. The RapidValue Services are designed to ensure clients receive the most value from their investment in IBM software. These services consist of a **customized blend of system architecture, mentoring and implementation assistance**.

Infrastructure for Social Development

Social business software and services help you become a social business and Davalen provides support infrastructure for social development with market leading technology, extensive expertise, and a lengthy track record for solving challenging problems.

Davalen provides the latest solutions that offer an integrated, extensible set of capabilities utilizing IBM Connections, IBM Sametime®, and IBM Lotus Quickr®.

Connections is a social software designed for business, while Sametime® provides an integrated, real-time communications services. To round it out, Quickr® provides team collaboration and content management software.

Extend User Access to Mobile

Davalen understands everyone is on the go and therefore can extend user access to mobile devices for IBM Lotus Notes®, IBM Sametime®, and IBM Connections so your employees can access their information wherever they might end up.

Mobile access to existing web applications is accomplished using IBM Web Experience Factory. Davalen mobile design patterns allow a single code base to be used to serve up an application to web browsers or mobile devices.

IBM/ISS Tier I Staffing Support

Davalen provides subject matter expert (SME) resources nationally across all of the IBM Software Services (ISS) portfolios. And, our clients utilize and rely on those very same Davalen technologists for help with their projects.

Our IBM certified technologists specialize in the latest IBM software products and solutions, from cradle to grave; including environment assessments and recommendations for a higher return on your IBM software investment (ROI). We provide our clients with experienced technologists who truly understand IBM software, from architecture, design, administration and

Listen to what others are saying...

Greatest Improvement to Our Website since Late 1990's
"I am very proud of the work that has been done and the extraordinary effort you and your teams have put into getting this project to the implementation phase. This is the greatest improvement to our website since introducing transaction capabilities to it in the late 1990's. This will be a differentiator for our business and will move us one step closer to a truly personalized web experience."

Expose the Capabilities of Davalen Charts

"I want to express how much I appreciate the fact that you joined me on the project at a bleak time and turned it around by exposing me to the capabilities of Davalen Charts, helping get the tools adopted, and coming through for us in building so many great-looking charts to satisfy the customer. I'd also like you to know that I've received some internal kudos for the success to which my response included the following: With our chief measure of success being the look/feel and presentation flexibility, I really have to cede most of the credit to Davalen's development team and their Davalen Charts WEF Builders."

Their Consultants Know Our Business

"We turn to Davalen for custom collaborative solutions. No matter what it's built on, their consultants know our business well and produce quality applications in a timely manner."

Excellent Service and Quality in Everything They Do

"They provide excellent service and deliver quality in everything they do. We are very confident that the Davalen portlet factory consultants know the Portlet Factory product and its capabilities very well and therefore are an invaluable resource to have available. I would highly recommend Davalen to anyone working with Portlet Factory."

Davalen has a Deep Knowledge

"It was obvious to me that Davalen has a deep knowledge and has based their courseware and mentoring on real world experiences."
