FOR IMMEDIATE RELEASE

ANNOUNCING NEW OFFICE MANAGER/TRAINING COORDINATOR

Kenya Claytor Expands Local Training Community

SUDBURY, Mass., June, 2008— Davalen, LLC is pleased to announce that local Framingham resident Kenya Claytor has been hired as the company's Office Manager and Training Coordinator. In this role, Claytor will handle back office, marketing and sales support as well as client and vendor interactions to reinforce Davalen's mission of providing quality IBM training and consulting services throughout North America.

"Kenya's office expertise and knowledge of Lotus Notes," explains Davalen's Managing Partner Dave Jacob "will allow Davalen to streamline its office operations utilizing BizOne as we continue to manage our rapid growth."

-more-

Claytor has over 10 years experience in office management, administrative and customer service, event planning and project management. She has worked for companies such as Sun Life Financial and Clear Channel before moving into the Office Manager and Training Coordinator position at Davalen. Here she will bring her extensive expertise in office management and customer service with her. Claytor now looks forward to her new role at Davalen.

“I am starting another chapter in my career,” explains Claytor, “and am extremely excited about starting it here at Davalen! There is tremendous growth and opportunity in the IT field and I look forward to being a part of this company as they too grow leaps and bounds.”

Claytor and Marketing and Public Relations Specialist, Ruth Jacob, are both convinced this combination of skills and talent will expand Davalen’s continued presence in the area. “Davalen has been supporting the Greater Boston area since 1993,” explains Jacob “and the addition of Kenya’s specialties and positive outlook will encourage business in our local training facility as well as allow us to continue to be more responsive to the needs of our expanding industry reach in both the Lotus Notes/Domino and Websphere fields.”

For more information on Davalen visit www.davalen.com or call 800.827.8451.
